Work Experience

OMNILIFE / SEYTÚ USA | Plano, TX

Marketing Coordinator | June 2025 - Present

- Led the development and execution of U.S. marketing communications across social media, email, SMS, events and distributor-facing channels.
- Wrote, edited and adapted bilingual English and Spanish content for campaigns, product launches, promotional initiatives, event communications and internal materials.
- Developed content briefs, campaign toolkits, presentations, one-pagers, promotional materials and visual assets supporting national brand initiatives.
- Coordinated the production of digital and print communications while maintaining brand consistency, messaging accuracy and compliance requirements.
- Managed social media content across Instagram, Facebook, TikTok and YouTube, including content planning, publishing coordination and performance monitoring.
- Managed communications projects from initial request through final delivery by coordinating contributors, creative approvals, deadlines and competing priorities.
- Partnered with leadership, creative teams, operations, customer service, distributors, vendors and agency partners to deliver projects on schedule.
- Tracked engagement, impressions, audience growth, campaign responses and content performance to identify opportunities for improvement.
- Supported targeted email and SMS communications through audience segmentation, messaging development and engagement-focused campaign planning.
- Maintained organized campaign documentation, messaging guidelines, creative direction and project materials to support consistent execution across teams.

MSI Credit Solutions | Dallas, TX

Marketing Specialist | January 2025 - June 2025

- Wrote, edited and published blog articles, website updates and marketing content through WordPress.
- Used basic HTML and CSS to format website content, update page elements and improve the presentation of digital materials.
- Developed customer-facing marketing communications supporting lead generation, service awareness and digital campaign initiatives.
- Supported Google Ads campaigns and digital marketing funnels designed to increase customer acquisition and sales opportunities.
- Managed online reputation monitoring and coordinated review responses to maintain a consistent and professional brand presence.
- Tracked campaign activity, audience engagement and digital performance to support reporting and content improvements.
- Coordinated with internal stakeholders to prioritize content requests, manage project timelines and complete marketing deliverables.

Continued on next page

- Managed high-volume customer conversations across Khoros and Meta Business Suite, delivering accurate, timely and brand-aligned support.
- Served as a subject matter expert for social media workflows, assisting team members with escalations, process questions and complex customer issues.
- Monitored online conversations and emerging concerns, identifying urgent issues and coordinating resolutions with customer support, operations and vendor teams.
- Coordinated and supported live event operations for major festivals, including Coachella, Lollapalooza and Austin City Limits, managing real-time communication, issue escalation and cross-functional response during high-volume event periods.
- Managed order fulfillment from review through completion, ensuring time-sensitive ticket orders were processed accurately and met delivery deadlines.
- Partnered with sales representatives by providing inventory, pricing and order information needed to prepare customer quotes.
- Prioritized high-risk and urgent orders during peak event periods to prevent delays and protect the customer experience.
